A bus booked by us, will pick you up, every morning, in front of the Bordeaux Saint-Jean railway station at 8.00 am to bring you to INRA.

The bus will take you back to the railway station at the end the day.

- **From the Bordeaux Mérignac Airport to Bordeaux Saint-Jean train station:**

- We will be there to welcome you and markings will guide you.
- The meeting and lunch break will take place in building B (Aerial).

The railway station of Bordeaux is a central place in town, well connected to Paris (via the very fast train LGV), the Bordeaux-Mérignac international airport (see below) and the old city centre (by the tram). There are also many hotels around. We will therefore organize a transport service to the INRA site from this train station.

1. The Bordeaux Airport shuttle service ★

The shuttle operates a **30 minutes** direct connection (in normal traffic conditions) between the airport (Terminal B) and the train station, every day.
